FOUNDERS AND KEEPERS GALA

HONOURING 30 YEARS OF STRIVING FOR A SAFE CITY AND WORLD

Our Founders championed their vision of a safe, equitable and just world for all women and youth. Today, the "Keepers" of METRAC continue on that path. From award-winning educational programs to improving laws and changing attitudes, you've enabled us to prevent violence for three decades. Join us as we celebrate our history, honour our Champions and welcome challenges ahead. Proceeds go toward our programs and vision for **The Station Violence Prevention Centre**.
